Jaap is internationally well-known for his enthusiasm, style, humor and musicality. He was one of the first non-Bulgarians invited to Bulgaria's choreographer schools in Sofia and Plovdiv. His most popular dances include *Karamfil*, *Melnik*, *Dobrudžanska Pandela*, *Krajdunavsko Horo* and *Vlaško*. Jaap's personality and joy for dancing is exceptional.

Israel was born into a traditional Yemenite family and his dances show a deep connection for Yemenite tradition and culture. He has taught all over the world and cofounded dance camps on both coasts. His most loved dances include *Agadelcha*, *Achot Lanu K'tana*, and *Shuf-ni*. For IFC-NY he will exclusively teach Yemenite dances.
